POINSETTIA FUNDRAISER UPDATE

Thank you to everyone who submitted order forms last week! So far, we've sold about **one-third** of our poinsettia pre-order.

We'd love to sell as many as we can to support our fundraising goals, but we also understand that this shouldn't be a financial burden for families. If you simply forgot to send in your order and think you—or friends or family—might still be interested, please call 276-4000 and leave a message on Sunday or Monday, or email Mrs. K. This will help us decide by how much to reduce our order, which we must do on Monday.

With the current numbers, we're not quite reaching the fundraising target we had hoped for, so every bit helps!

Thank you for your continued support!

COMMUNITY SUPPORT

We are collecting new pajamas for children and women at CCS for the 11th annual PJs for Emma. Please drop pajamas off at the school anytime from November 3 - 28.

BADMINTON TEAM

Now that the team has been selected, players must ensure their arrangements for the one hour wait on Wednesday are in place, and as needed, approved by the school.

POLICY REMINDER

Anglophone West School District is committed to providing safe and reliable transportation services for all eligible students to and from school. While school administrators have flexibility to deal with **emergency** situations, ASD-W Policy 550-1 clearly states "*Transportation for occasional drop-offs (e.g., birthday parties, visiting a friend, sleepovers, or after school activities) will not be provided.*" These situations are the responsibility of families. Thank you for not expecting or requesting ineligible transportation arrangements.
