

# OUR "PILOT" PL DAYS

at CCS

Friday, December 12, 2025

## Learning

### Facilitated Sessions:

Provincial School Improvement Indicators - identifying potential areas of growth

Instructional practices for teaching about fractions in K-2

EGLA tools for 3-5 Literacy

## Independent work

- Review curriculum and planning tools
- Plan for instruction
- Assess student progress and plan for assessment
- View recorded sessions and asynchronous learning modules
- Family touchpoints
- Learning, discussion, or product discovery or development on current focus

## Collaboration

### Small teacher groups:

- Explore data and plan for instruction and intervention
- Co-plan learning opportunities around skill descriptors in multiple subject areas.

### Teacher and EA meetings:

- Discuss student needs and student achievement
- Plan for alternate and new strategies
- Discuss upcoming learning targets and how student learning can best be supported

### Articulation Sessions:

- Connecting with teachers from other District of Carleton North schools to share and reflect
