Spectators at CCS

We truly appreciate the support of our spectators at CCS games! To ensure a safe and enjoyable experience for everyone, please review the following guidelines:

- Supervision: Games are not supervised events, so children must be accompanied by a parent or guardian at all times.
- Food & Drink: No food or drink is permitted—water only in the balcony, please.
- Seating: All spectators, including children, must remain in the balcony for the duration of the event. Running or playing in the balcony or halls is not allowed. Sometimes children who attend CCS believe they can be in the hall or other areas during games. Parents, please ensure your children stay with you at all times.
- Restricted Areas: The gym equipment room and other parts of the school are out of bounds.

Thank you for helping us keep our events safe and enjoyable for everyone!
