

OUR "PILOT" PL DAYS

at CCS

Friday, January 16, 2026

Collaboration

- Collate, record and explore data
- Plan for instruction and intervention
- Co-plan learning opportunities around skill descriptors in multiple subject areas.
- Discuss student needs and student achievement
- Plan for alternate and new strategies

Learning

- Today's learning is focused on professional learning in support of our 2025-2026 School Plan Goal: CCS is a school where all students and staff feel safe exploring and engaging with Wabanaki history, cultures and world views.

Independent work

- Review curriculum and planning tools
- Plan for instruction
- Assess student progress and plan for assessment
- Family touchpoints
- Learning, discussion, or product discovery or development on current focus

8:30 – 10:00 All teachers, EAs, BIM "Connecting Wabanaki and Treaty Education Across the NB Holistic Curriculum"

10:30 – 11:15 K-2 session

11:30 – 12:15 3-5 session

1:30 – 2:15 6-8 session
