Friday, Feb. 13: no school for students

WEDNESDAY FREE LUNCH

pizza

On Time for Success!

Our instructional time begins promptly at 8:05 a.m. It's important that students arrive with enough time to get to their classroom, unpack, change into indoor shoes, and be **ready to start learning** by 8:05.

Arriving in time to get ready, and have a smooth, calm start to the day helps set students up for success. Thank you for your support in ensuring your child arrives on time and is prepared for the day ahead.

PARENT-PRINCIPAL CHATS: NEW OPPORTUNITY FOR CONVERSATION

The CCS Administration, with the support of the PSSC, is excited to introduce **Parent-Principal Chats**, a new opportunity for families and school leadership to come together for open, school-wide conversation. These informal gatherings are designed to help us share information, explore ideas, and discuss how our school operates—all with a focus on strengthening our community and supporting continuous improvement. This is not a forum for discussing individual students or specific incidents; instead, it's a space for collective dialogue about what's working well and what we can grow together.

Our first Parent-Principal Chat will take place on **Thursday, February 12**, during the same time as the next grade-level dance. While students are enjoying their evening, parents are invited to join Mrs. K. in the school library for conversation, questions, and connection.

One of our main topics on February 12th will be food service at CCS. As we look ahead to planning for next year—including the provincial initiative introducing a universal lunch program across New Brunswick—this conversation is an opportunity to hear parents' views on both our current offerings and future programming.

We hope you'll take this opportunity to be part of the discussion during one of the dances and help shape the ongoing growth of our school community. Your voice matters, and we look forward to seeing you there.
