

# OUR "PILOT" PL DAYS

at CCS

Friday, February 13, 2026

## Learning

### Facilitated Sessions

PBIS (Positive Behavioural Intervention and Supports) focus

- The CCS Intervention Log - Reflect, Realign, Refresh
- From shared expectations to a CCS Behaviour Matrix: Taking Stock, Moving Forward
- Supporting students in Phys Ed classes

## Collaboration

- Explore data and plan for instruction and intervention
- Co-plan with teachers of same subjects
- Discuss student needs and student achievement
- Plan for alternate and new strategies

## Independent work

- Review curriculum and planning tools created by province and district
- Plan instruction using collected data and implementation guides
- Elaborate pieces of year long plans into mid range and daily lesson plans
- Family touchpoints
- Continuing learning, discussion, or products from previous PL days
