**Thursday:** MS Girls' Volleyball 5:30 - 7:00, MS Girls' Basketball 7:00 - 8:30

**Friday:** No school for students

This last day of March Break feels like Spring! But since we live in New Brunswick, we know the weather will continue to surprise us — from ice and snow to cold snaps and the occasional warm day. Please help ensure your child is ready for anything by sending them with appropriate outdoor clothing each day. This includes layers for changing temperatures, waterproof gear when needed, and extra mitts and socks.

Students spend time outside for two recesses daily, and teachers also have outdoor learning activities planned. Having the right clothing helps everyone stay comfortable, safe, and ready to enjoy their time outdoors. Thank you for your support!

## COMING UP
