

OUR "PILOT" PL DAYS

at CCS

Friday, April 17, 2026

Learning

Facilitated Sessions:

- Serving students with ASD
- Neurodivergent learners information and discussion session
- Grade 2 Literacy: Close Reading Routines

Collaboration

- Grade 8 to 9 Literacy and Numeracy Articulation among schools
- Explore data and plan for instruction and intervention
- Co-plan with teachers of same subjects
- Discuss student needs and student achievement
- Discuss upcoming learning targets and how student learning can best be supported

Independent work

- Review curriculum and planning tools created by province and district
- Plan instruction using collected data and implementation guides
- Elaborate year long plans into mid range and daily lesson plans.
- Family touchpoints
- Continue learning, discussion, or products from previous PL days
- View recorded sessions and asynchronous learning modules created for educators and EAs by EECD and district
