

# OUR "PILOT" PL DAYS

at CCS

Friday, May 29, 2026

## Learning

Facilitated Sessions:

- Middle School Math Planning and Instruction
- CCS School Plan - Where We Are and Where We Are Going
- Art in the Classroom Presentation and Workshop

## Collaboration

- Discuss student needs and student achievement
- Discuss upcoming learning targets and how student learning can best be supported
- Explore data and plan for instruction and intervention
- Co-plan with teachers of same subjects

## Independent work

- Review curriculum and planning tools
- Plan instruction using collected data and implementation guides
- Analyze assessment data; report card preparation
- Family touchpoints
- Continue learning, discussion, or products from previous PL days
- View recorded sessions and asynchronous learning modules created for educators and EAs by EECD and district
