SAFETY REMINDERS

- For the safety and supervision of all students, responsibility for students transfers from the school to parents/guardians at dismissal, either when a student is picked up from school or when they are dropped off by the bus. As a result, students may not remain at school after dismissal to socialize or "hang out." Students may instead be picked up or walk to the home of a responsible adult designated by their parent/guardian as part of their after-school arrangements.
- All students who travel to and from school by bicycle must wear a helmet, as required by law. Students biking to school are expected to proceed directly home or to the home of another responsible adult as described above.

PARENT SCHOOL SUPPORT COMMITTEE (PSSC)

Parents/guardians make up the majority of the PSSC and are elected to three-year terms. We are grateful to everyone who has expressed interest in serving on this important committee. If you would like to join, please contact the school or complete a nomination form and bring it to Wednesday's meeting. An election will be held if the number of nominees exceeds the available parent seats.
