

This Week at CCS

October 5 - 11, 2026

THIS WEEK

Monday, October 5: MS Co-ed Soccer GAME @ Townsview School, 5:00 pm

Tuesday, October 6: YES leadership event (select Gr 8 students.)

Wednesday, October 7: MS Co-ed Soccer practice, 2:35 - 3:45

Thursday, October 8: MS Co-ed Soccer practice, 2:35 - 3:45

Friday, October 9: Professional Practice Day. No school for students.

FALL BUDGETING

Last week, we shared a reminder about student fees and provided a heads-up about upcoming fundraising opportunities so families could plan ahead.

One addition this week: for families interested in ordering school clothing, orders must be placed by October 30 to ensure delivery before Christmas.

Student Fees

Student fees are now due. These funds have already been committed to student activities and expenses, with some invoices already requiring payment. Thank you to the families who have already submitted their fees.

Upcoming Fundraisers

- Poinsettia & Cyclamen Fundraiser: October 26 to November 6
- Home & School Maple Syrup Fundraiser: November 19 to 27, with delivery in time for Christmas gift-giving!

COMING UP

Monday, Oct. 12: Thanksgiving. No school.

Tuesday, Oct. 13: MS Co-ed Soccer GAME, hosting Nackawic at 5:00

Wednesday, Oct. 14: MS Co-ed Soccer practice, 2:35 - 3:45; CCS PSSC Meeting #2 in Library.

Thursday, Oct. 15: Goatworks African Drumming workshops and assemblies, K-8. MS Co-ed Soccer GAME @ Nackawic. Home & School Meeting, 6:30 - 7:30.

Friday, Oct. 16: MS Co-ed Soccer GAME, hosting MCS at 4:30.

A COMMUNITY MESSAGE

We kindly ask that community members not place household or other personal waste in the school dumpsters. Their use is reserved for school operations, and additional or unexpected materials can result in extra costs and service requirements for the school. Thank you for your understanding and cooperation.

HEALTH PROMOTING SCHOOLS

Superheroes wash their hands!

Adapted from an APPLE Schools resource

HEALTH NOTE FACTS:

Let's all be a Handwashing Hero:

Have you ever tried to keep track of how many surfaces you touch in a single day? It would be quite challenging. Daily tasks such as preparing meals, maintaining personal hygiene, and cleaning the house contribute to the collection of bacteria and viruses on our hands. Regular handwashing is one of the most effective methods for protecting yourself and others against the transmission of germs.

Viruses can survive for hours on frequently touched surfaces like phones, doorknobs, remote controls, and faucets. Adopting simple practices such as washing your hands regularly, disinfecting shared items, and staying home when unwell can significantly reduce germ spread, promoting better health for yourself and those around you.

Keep in mind that proper and frequent handwashing remains one of the most reliable strategies to prevent the spread of germs and many common infections.

RESOURCE LINKS:

Posters:

Additional Tips:

Follow these handwashing steps:

1. Wet hands and apply liquid soap or clean bar soap.
2. Rub your hands together, scrubbing all skin surfaces including fingernails and between fingers.
3. Continue scrubbing for at least twenty seconds (sing Happy Birthday song twice).
4. Rinse hands with clean water.
5. Dry hands well with paper towels or clean cloth.
6. Turn off tap with paper towel or cloth.

Remember if soap and water are not available use hand sanitizer with at least 60% alcohol.
